Jeff- club updates, first we have Kipos

Guests Annemarie & Alana- hello

Annemarie- Kipos is students advocating for environmental justice. Rooted in community garden- but not just a garden. Our goal is to provide activities that focus on environmental subjects. Our job as a club is to advocate. The harvest party is coming up 24th September 4-7 and our meetings are Sundays 6-7 MPR. The harvest party will be really fun; food from the garden, live music, celebration of the garden and Kipos and all that it means. Other stuff this semester- hoping to have a talk on campus about sustainable agriculture in Spokane Oct 12. Also hoping to have a river clean up and having different workshops/speakers. I would love to bring an herbalist. The goal this year is to have members lead a lot of these. In February there will be a Washington higher education conference that I would like a lot of students to be at. The goal is to be community where their voices are heard... not just a bunch of crazy people that run around.

Breanna- Any questions?

Guest- Is there fb page?

Karlin- first meeting Monday. If you know anyone interested in joining, please send them my way... first edition coming out next Wednesday

Breanna- moving along- Rachel homecoming

Rachel- I have papers for senators. Tentative dates depending on concert. Weekend will include dorm banner competition, movie night, music building opening, tailgate, and dance. On the paper you'll see what I need help with: getting people excited, banner competition- wrote out tentative calendar to help, the parade on Saturday morning before tailgate. Need people to usher people from parade to tailgate to game. We don't have a homecoming theme yet so if you have suggestions. Included pics from last year to give you an idea. Also working of budget. In terms of the dance- the vision is a big tent in the middle of the loop like in the end of harry potter with lights and loud music. First reactions?

Michaela- concern with the tent that it will be really cold... I know they'll be a lot of bodies

Rachel- the thing about it being outside with the tent is that it will protect from weather but I think it will be ok b/c people go outside of buildings to leave dances when they get too warm

Christina- Will we be putting a floor down?

Rachel- no, dance in grass. Floor insanely expensive with the tent

Luke- talk to facilities about the grass?

Rachel- not yet. Just about the tent and they said it would be ok.

Since there are so many things with homecoming Luke and I got together with the football team and Chase Weholt to make a video. It will come out a week before homecoming.

Mae- where will it be posted?

Rachel- Facebook. Also with Banner competition the winner will get an ice cream party. Pizza party?

Camina- My concern is the grass. Girls with high heels and if it cold.

Bailey- Is it going to be fancy?

Rachel- no, not fancy. Will consider other locations...

Michaela- People could take shoes off. Or maybe say casual in advertising.

Evan- what weekend?

Rachel- Oct 8th

Michaela- clubs/activities in the parade? Need to sign up?

Rachel- What do you think Jeff?

Jeff- I'm getting organized. Reaching out to club presidents soon to have an idea. We will see.

Rachel- Club thing mostly with Jeff. Thanks guys

Breanna- quickly into exec announcements

Jeff- clarifications on rep votes to ease people's worries. 3 off campus reps. They were paid on hour a week. We voted to at 2 which will be \$1605.

Secondly, finance committee filled: Ivan, Jordan, Maddie, and josh. Meet Sunday sept 25th 2pm. Club chartering committee meets at 3 on Sunday's need one more assemble member, have Mae, one more?

Michaela- I will.

Jeff- great. Any students at large? Explanation of club chartering committee. Anyone interested?

Guest Andy Leeks- I would

Jeff- great I'll be in touch with you on that. Capital is budgeted at \$191600 and unallocated \$36099 have pretty good idea but will give you an update when I can.

Senators have an email contact list? If you don't have one, talk to your RD. I'm putting together a list of club info.

Norma- instead of senators doing it, have them have RD send list to Jeff

Christina- So you want our RD's to send you email list?

Breanna- No, we will have you send out email through RD

Jordan- So what happens if capital and unallocated a below zero?

Jeff- not an easy process

Karlin- include media positions on email to residence halls?

Norma- now I'm going to give you your Bobs- to be a mentor. Did my best to match up. Some do not have one because we are waiting for reps. <bob list>

Reps interest meeting Monday at 9:30 10 showed up. Another Friday 6:30pm in chambers. Encourage you to encourage people to run. Use your power well. We want a large turnout for this election.

Breanna- but you can't endorse candidates

Norma- yes, the SCC will meet this Sunday. Once, again if you know anyone who is interested in being apart let them know that this is an option.

Breanna- I said 30min and it's 55. Committee assignment emails. Look at them. Chairs have your email so they should be contacting you. If there is a schedule conflicts let me know so we can get those switched. You are representing the whole student body; be on time, prepared, and take them seriously.

Norma- professional attire?

Breanna- good question to ask the committee chair.

CBD next Wednesday. Senators with leadership team. Coordinators with us. Getting out early to do survey. Go with BOB. If you don't have one go to warren.

Mae- Yes please

B- the goal is 60% by next Wednesday. If you don't finish tonight use your office hours. The idea behind the survey is to get you out in the community and get an idea of what people want from us this year. Be friendly. Stay as long as you can to help senators. Have a quick meal then head out to the survey

Rachel- thanks for help with bingo

Emily- shout for radio

Bailey- Luke helping with hypnotist

Michaela- thanks Jeff for being hypnotized

Jordan- motion to adjourn
