### **Joya's Pirate Advisory Board**

Lauren: we had our first few meetings recently. We're doing a donut drive.

We're helping children from birth to three years old. Meet up with parents who have children and take a tour of the school. The donut drive has been moved, no confirmed dates.

Sarah: questions?

Meeting times?

Lauren: 7

### **Super Smash**

We play super smash weekly. Saturday at 7 in Eric Johnston. We have planned a Prime-time in steward. There'll be a tournament October 19<sup>th</sup> 2-8, not a concrete time though, we'll go as long as people want.

Cameron: want to partner with chess club?

Super Smash Bros: sure, I'm sure we could work something out.

Hannah: is there an application process?

Super Smash: No, but there'll be a \$2 admission fee. I'm also the best to get in contact with at [aspillmin21@my.whitworth.edu](mailto:aspillmin21@my.whitworth.edu)

### **Jubilation dance**

We do student taught classes. We're meeting five times a week, like it's listed on Instagram. Follow jubilation dance ministry. We also have a Fall celebration the week before finals, trying to figure out where it'll be since Cowles is closed. [Ksahlstron20@my.whitowrth.edu](mailto:Ksahlstron20@my.whitowrth.edu) is the best contact for me

### **history club**

Hailey Olson: I'm the president. We had our first event; the fall kick off. With pizza and ice-cream, a sing along, and trivia. We gave away cupcakes and cookies. We had 40 people in attendance. We're also coordinating a group meet up at museum of history. Officers meeting sometime next week. You'd have to pay admission; student discount makes it \$8 instead of \$10. Possible speaker on the archives or volunteering. No club meeting time, it's more event based. Contact [holson22@my.whitworth.edu](mailto:holson22@my.whitworth.edu)

### **FVP Updates**

Faizzan:

Capital: \$20,000

Unallocated: \$20,000

We had a finance meeting on Sunday. Finance committee has set a bar for how much they can approve. Requisition for \$600 tv for Mac. It'll be Sean so he has to excuse himself from the vote. Questions? Capital is for anything that'll be around for at least 3 years. Unallocated anything else more short term like events. Sean...

Sean: requisition for tv, because we are the only one without one in the public space. Planning on putting it in the kitchen. We need a smart tv since the wifi is

bad, a wall mount and the cables and it'll help cover the amount of getting it installed. Residents want a place to watch a movie somewhere.

Cameron: is that a good place, the Kitchen?

Sean: If you've been there, you'd know it is. We used to use someone's projector in there previously, so there's space

Levi: how often will it be used?

Sea: Lots of Prime-times using it. The smart tv should cover an HDMI cord if we have enough left over.

Laura: Have you worked out the details with installation?

Sean: It's usually a long timeline, but we're hoping to speed it up

Laura: done by this semester?

Sean: Hopefully, but it is up to facilities.

Sophie: do smart TVs work without Wi-Fi?

Sean: Yes

Faizzan: senators need to vote on this since it's \$615

Jason: Sean needs to leave the room

Sean: if the tv is not in use, it'll be first come first serve \*leaves room\*

Sarah: For clarification, only the assembly members vote on this. So, I can't even vote on it

Levi: I move to approve

Hannah: I second

7 in favor, 0 opposed, 0 abstaining  
(with Sean gone) Passes unanimously

Faizzan: we had a req from warren wanting a griddle for \$39.10. We went through warren's budget last year, they have the biggest budget. They can cover it in hall budget. Second requisition: food for thought. They're a new club, they asked for \$700 for food. First, a new club get \$300 max. it was concluded they could have \$100 for now. If they want more, they can come back later. 3<sup>rd</sup> requisition \$54.24 for blender for Oliver, which was approved. Fourth requisition was for a conference in New York. Each student gets \$100 max. So, \$100 each and \$400 total. Last was the tv for mac, which we already talked about.

Miranda: is that with the tv included on the totals in the allocated/unallocated?

Faizzan: Yes

Theresa: just so people kind of know more, Forte is organization. They work with women in college networking and they have 6 conferences. Some of them include Women in business, women of color in business, women in liberal arts and stem. They are very dominant in the north east. The one we requisitioned for is the women in leadership in New York.
