President Updates

Parker: Board of trustees are here this week, next week I will be asking for updates on those meetings. I had university council but that is next week. We have been trying to figure out what gift we want for Beck, the first idea was a golden pinecone, the next idea is to get quotes or words from the student body in a scrapbook and the final option would be to find a brick that Beck could replace.

Katie R: the second one sounds like what Rachel is doing

Jaedon: is there somewhere where a brick can be taken out?

Hannah: it is not too difficult, but we can do it

Rachel: I like the idea of the golden pinecone and it would be cool if there was a way some students could sign it that would make it very meaningful.

Katie R: I agree, and I think the art department would love to be a part of this.

FVP Updates

Capital: \$15,280

Unallocated: \$ 16,484

Faizzan: Finance committee meeting is coming up. Budget committee is also next week and what we do is decide the budget for all the different clubs on campus.

EVP Updates

Hannah: I do have meal cards, and for office hours sign ups I didn't do those last week, but I will send out the email after elections are done. Student highlight is the strings of whitworth, and parker can give more information.

Parker: a few months ago, there was a concerto competition that is open to anyone in the music department to compete and the winners were Elizabeth Hamilton, Sam Thackston, Mikah Turpin and Maria Straight. And they'll get to perform with the orchestra in May.

SEC Updates

Emily: elections on Friday from 8 am – 10pm and we still need people to sign up for voting booth.

Coordinator Spotlight

Aeron: As marketing PR coordinator, I do a lot of work with the website and PR stuff with ASWU. In terms of the rest of semester I have been working on marketing all the larger events going on and that's about it.

Upcoming Events:**Movie Night:**

Emily: This Saturday at 8 pm and it is at full capacity so it will be lots of fun and there will be snacks

Earth Week:

John: Earth week is next week, we put up a gigantic poster in HUB and please come to those events. Climate panel and trivia will be over zoom as well as in person. Climate panel Monday night 8 pm and trivia night Friday 7 pm in RTT.

Ballard Jazzercise:

Meghan: Hosting jazzercise event Friday the 23rd just for Ballard people but it is exciting.

Unplugged:

Sam: it is on next Saturday at 7 with a viewing party in the loop but also live streamed on YouTube, and performance videos are on their way and there will be a vote at the end. We will have things next week which are blankets and tumbler cups.

Kehillah" A Community Dialogue

Parker: working on planning still and it is right on schedule April 26th and 27th at 7 pm both nights. If you know of anyone good for political ideology let me know please. We will have shirts for that next week.

Lil' Springfest:

Parker: Still on May 1st, we found a pizza place we are trying to get a hold of since roman pizza chariot is booked that day. We have placed a bid on an act but hopefully that will work out.

Constituency Reports

Arend

Emma: Arend is doing good, no one came to my office hours and have not heard from the pool table guy.

Whifflex rep

Victoria: April 23rd going to work on off campus care packages, and we are going to need help

Duvall

Proxy: Duvall been pretty good but his project with acts of kindness is going well

Warren

Isaac: Warren is doing good.

Baldwin Jenkins

Mac: poppin off and bricks are also popping off I guess; people also still don't come to my office hours. Been trying to get people to apply for senator but not going well.

Global Engagement Rep

Michael L: I set up a donation page for Joha an international student that a few days ago he found out his VISA got terminated and he has to go back home to file his case and I need your help to share the page and get the word out. And we have 40 donators so far which is good!

Incoming Student Rep

Christian: incoming students are alive; Georgia and I have been working on moving forward with next years and helping people with housing lottery and registration. Also decided on our torches for next year.

Off Campus

David: we are going to need help next Friday with the care packages so if you can stop by that would be awesome, and also need help to deliver. On Wednesday having a lowkey lemonade stand from noon to 2:00. Working on off campus yard sale on May 8th from 12-4.

Stewart

Adaeze: Stewart is cool, not too much to update for my event I cannot do cup pong, but we are going to do book it pong which is basically a bigger version of cup pong so I'm excited about that. Would love advice to spread word and get people interested.

McMillan

Jaedon: doing great, all in good mood enjoying the nice weather been outdoors a lot. Custom frisbee design are done and they will be \$10 so if interested let me know.

Ballard

Meghan: Ballard is phenomenal, had a primetime that everyone loved. Started partnering up with Ballard CMC for office hours and people are excited for jazzercise.

Oliver

Olivia: Had a couple questions on housing contract and difference in the meal plan that caused confusion. UREC doesn't lend out hammocks so I'm wondering why and thought that was interesting. Got Oliver twist approved and that will be April 24th.

Boppell

Jed: only big thing is I'm planning on giving away \$25 gift card for answering trivia questions.

Campus Vibes

Meghan: forgot to mention this but BMAC people want soft serve machine

Sam: kind of concerning stuff, last night at hosanna we had two people performing at rehearsal who refused to put a mask on, and they put up a fight and after the event they would not wear masks and made the tech team uncomfortable and it is just frustrating. Still need to keep people accountable as this is still not over.

Katie R: on more positive note I walked through vaccination clinic and it was really well done, and I think it's a really great thing whitworth has done

Hannah: make sure when you're talking about vaccines there are still lots of people that get anxiety about vaccines or have beliefs so be considerate

Georgia: not sure how many of you know but there was an incident on campus a few weeks ago and they said they filed a complaint with whitworth since campus security took so long but they were brushed off.

Jason: This was discussed in student life meeting and it is not being brushed off they are coming up with some plans and no decisions have been made yet

Rachel: yesterday I sent an email about video project I have been working on and I thought it would be cool if students could share words or stories for the Taylor family.

Parker: just reminder tonight at 7:15 kehillah committee meeting.

Katie Luds: only get two grad tickets for seniors and not to come with more people

David: been hearing a lot about burn out lately

Hannah: on that same note support those that may be struggling with that it's okay to not be okay

Shout outs

Christian: huge shoutout to Michael Lie for what he has been helping with Joha as I have witnessed how difficult it has been for him.

Rachel: national guard for giving time to whitworth students and vaccinating

Jed: Emily for getting us donuts
